

Wanderlist is a place to collect and share travel dreams.  
It's fun, easy, and free.

### EXPLORE

Roam the world using the interactive map to find places and experiences that intrigue, inspire, and interest you.

### SHARE

Invite family, friends, and your travel advisor to share in the fun. Everybody can contribute ideas - dreaming is even more fun when you do it together! Your wish lists are secure and only seen by those you choose.
